Mrs. Amanda Anderson Agains Failure to Secure a Divorce—Jack Hanley, the Assailant of Bob Fortune, Sent Up For Fifteen Months—Eddy Wants New Trial—Andrew Swenson on Trial For Assault to Murder—Other Court Matters.

Chief Justice Merritt was engaged on civil business yesterday, and Associate Justice Barth continued work on the criminal calendar, and both disposed of a large number of cases.

AGAIN DENIED.

Mrs. Anderson Fails to Secure a Divorce on Ground of Cruelty.

In the divorce suit of Amanda W. Anderson vs. Andrew P. Anderson, which was heard before Chief Justice Merritt on Saturday and taken under advisement, his honor yesterday morning denied the decree and gave plaintiff leave to amend and replead.

The facts have already been fully stated in The Herald, briefly they are, as alleged by the plaintiff, that her husband brought a girl to the house to assist in the domestic work; that he came very attentive to her and stayed in the presence of his wife that he loved the girl. Ultimately the two went off to Sweden together, leaving the wife here, and a short time ago they returned, when Mrs. Anderson commenced suit for divorce on the ground of cruelty. The case came up before Judge Barth some months ago and he denied the decree, holding that a divorce on the showing made could not be granted on the grounds of cruelty. The plaintiff brought up the case again before Judge Merritt, with the same result, giving the plaintiff leave to amend the complaint by presuming adding adultery to the charge.

Short Orders By Judge Merritt.

Fraser & Chalmers vs. L. C. Trent; hearing set for Tuesday at 2 p. m.

Fernando Roy vs. John F. Connor; hearing on order to show cause was resumed and arguments continued till today.

J. A. Haverbach vs. George Calder; five days' additional time granted to answer.

New Trial Denied to Roy Wright.

In the matter of the motion for a new trial in the case of Roy Wright, convicted of grand larceny, heretofore argued and submitted, his honor, Judge Barth, now overruled the motion and sentenced Wright to fifteen months imprisonment in the penitentiary. The defendant had, on a previous occasion, served a term for larceny.

Jarmuth Also Denied a New Trial.

Judge Barth also overruled the motion for a new trial in the case of Emil Jarmuth, convicted of grand larceny. Attorney Corey entered an exception and was allowed sixty days to prepare a bill of exceptions on appeal. His honor sentenced the prisoner to three years imprisonment in the penitentiary.

Fortune's Assailant Gets 18 Months.

Jack Hanley, the colored man, whom the jury found guilty of assaulting Bob Fortune with a deadly weapon with intent to do bodily harm, was brought up for sentence, and Judge Barth gave him eighteen months in the penitentiary.

Eddy Wants a New Trial.

Judge Powers, on behalf of W. N. Eddy, of bow and arrow fame, who was convicted on Friday of fornication with one Florence St. John, argued a motion for a new trial. His honor took it under advisement.

GRICE FOUND GUILTY.

He is Convicted of Burglarizing a Butcher's Shop.

Samuel Grice was put on trial for burglary. It was alleged that he broke into Wilson's butcher shop on March 23 last, and stole therefrom a quantity of butcher's tools, also three-quarters of a beef, some mutton, pork, hams, veal and eggs. A portion of the tools alleged to have been stolen were produced in court and identified by Mr. Wilson as those stolen from his shop. These tools had been found by Detective Rhodes and Paul in the possession of Grice. The latter took the stand in his own defense and stated that he was a stonecutter by trade, and thus accounted for a Jimmy which was found at his house and which he said he used in his trade. He said that he found the butcher tools in a gunny sack lying among the weeds near Fisher's brewery. He admitted on the stand that he had twice before been convicted of petit larceny and that there was another charge of stealing \$142 worth of business from Israel Evans, of Murray, standing against him.

The case was given to the jury at 2:30 o'clock and after a short consultation a verdict of guilty was returned. Assistant District Attorney Howat prosecuted and Attorney C. W. Morse defended the accused.

Thiele Will Be Tried on Oct. 10.

Assistant District Attorney Howat asked that the trial of Charles Thiele, indicted for the willful murder of his wife, Ann, be set for Wednesday, October 10, at 10 o'clock. He asked on the order for the defendant, objected to the date of the trial being set without the defendant being in court, and it was ordered that Thiele be brought in this morning, when the case will be set, but no doubt it will be for Wednesday, October 10, as asked by the prosecution.

SWENSON ON TRIAL.

Assaulting Anderson With Intent to Murder is the Charge.

Andrew Peter Swenson was put on trial on the charge of assaulting Sven Anderson with intent to commit murder.

The facts in the case were that the two men were working in a field near Mill Creek, when they got into a quarrel about the defendant saying, "I address to the niece of the injured man. After high words, Swenson, who had a shot gun, shot Anderson in the leg and head. Some days afterward he was captured, and after a preliminary hearing was bound over to await the action of the grand jury.

The injured man was taken to the Holy Cross hospital, where it was found necessary to amputate the limb. Anderson recovered from the operation and was about to be dis-

charged from the hospital, when he was taken ill with pneumonia, from which he died. The doctors stated that death was not caused by the run shot wound nor by the amputation, but that people who undergo such operations are for some time afterwards susceptible to the disease of pneumonia.

Mrs. Anderson was examined for the prosecution, and being unable to speak English, Court Bailiff Nelson acted as interpreter and translated her answers given in the Swedish tongue. Assistant District Attorney Howat prosecuted, and the defendant was represented by Attorney J. W. Corey. The hearing was not concluded when court adjourned until this morning, when the case will be resumed.

From Reform School to Penitentiary.

Earl Stephenson, the incorrigible reform school youth, who appeared before the court in the garb of that institution, was brought up with a view of his being committed to the penitentiary, on the petition of the managers of the reform school. The offense for which he was sent to the reform school was burglary at Hirsman's shoe store. As, however, Attorney Armstrong, on behalf of the defendant, attacked the indictment under which Stephenson was convicted, Judge Barth directed that the case go over until this morning.

Short and Crisp.

In the matter of The People vs. John Castino and George Harmon charged with grand larceny; defendant's witnesses were ordered summoned at the expense of the territory.

The trial of W. L. Malt for house-breaking was set for October 3, on motion of the prosecution. In the case of Thomas Hart under a charge of house-breaking the United States marshal was ordered to have one shoemaker now in the penitentiary, on Wednesday to be used as a witness.

James Marsh was arraigned on the charge of grand larceny and entered a plea of not guilty and the trial set for October 5.

Constance Williams et al. vs. The Utah Central railway; five days' additional time allowed to answer the amended complaint.

SUITS COMMENCED.

George Allgood Wants \$2,000 From the Intermountain Salt Co.

George Allgood has brought suit in the Third district court against the Intermountain Salt company. The plaintiff alleges that he is the owner of two lots adjoining the defendant's works, and that from the said works by the operation of a fan which is used in the process of reduction, particles of salt, sulphur and other chemical substances are wafted on to his premises to their great damage, killing the trees and injuring the health of the plaintiff and his family.

The plaintiff prays for judgment for \$2,000 damages and that an injunction issue restraining the defendants from so injuring his property. The defendants were ordered to show cause on October 9 why the injunction as prayed for should not issue.

To Gain Possession of Land.

George Cook has begun suit in the Third district court against Ellen J. Williams et al. to obtain possession of a certain piece of land, described as lot 7, block 30, ten acre plat A, Big Field survey, alleged to be unlawfully held by the defendants.

Fined \$15 For Assault and Battery.

E. Mayfield appeared before United States Commissioner McNally for trial for assault and battery, committed on E. C. Stevens. The defendant withdrew his former plea of not guilty and pleaded guilty and his honor imposed a fine of \$15 and costs. The parties were described as policy writers and the assault was an aggravated one.

Millions For Defense

Against the inroads of that subtle, lurking foe to human health, malaria, had been expended uselessly when Hostetter's Stomach Bitters appeared upon the scene and demonstrated its power as a preventive and curative of the dreaded scourge. When the "gold fever" raged in 1849 in California, malaria was contemporaneous with it at the "digging." Hand wrought dreadful havoc among the miners. Then and subsequently on the Isthmus of Panama, and wherever in the tropics malarial disease is most virulent, the Bitters have been a remedy and safeguard. For the effects of exposure and fatigue, miasma-poisoned air and water, sea sickness and all disorders of the stomach, liver and bowels, the Bitters afford prompt relief. Invalids of all sorts will find it fully adequate to their needs.

POLICE COURT.

Judge Smith Has the Usual Monday Run.

Yesterday was a typical Monday in the police court, the docket showing a superabundance of dismissals and convictions for the usual petty offenses.

W. M. Smith, a Sunday drunk, was sent to the rock pile for five days, while E. J. Boyd, a campbell, forfeited a like amount in dollars for the same offense.

The charge of drunkenness against A. Anderson and M. Cannon was dismissed.

Jay A. Leay and A. Leay, accused of disturbing the peace, scored an acquittal. A charge of peddling without a license, lodged against the first named (Cannon), was dismissed on motion of the prosecution.

The prosecution withdrew the charge of keeping a house of ill-fame against Sadie Noble and also that against four female boarders, for the reason that it had only been a short time since these problems were compelled to contribute to the municipal till.

Charles Wilbur, arraigned on the charge of residing in a house of ill-fame, was pronounced not guilty and went his way rejoicing.

Alice Baker and Maud Woods forfeited the usual amount by not appearing in answer to the charge of prostitution. Sadie Ross, another problem, entered a plea of guilty, but further consideration of her case was continued till Wednesday.

To the charge of using abusive language, Annie Thomas entered a plea of guilty, but on the charge of soliciting she insisted on trial. The prosecution presented its side and the defense will have its innings this afternoon.
